

ACTA  
Summit  
2018

Building a  
self-improving  
healthcare system

29-30 November 2018  
The University of Sydney  
Business School

**Prof Nikolajs Zeps**

**Director of Research, Epworth Healthcare**

*[ACTA Embedding Clinical Trials in Healthcare Reference Group]*

@ACTAcommunity #clinicaltrials

linkedin.com/company/australian-clinical-trials-alliance

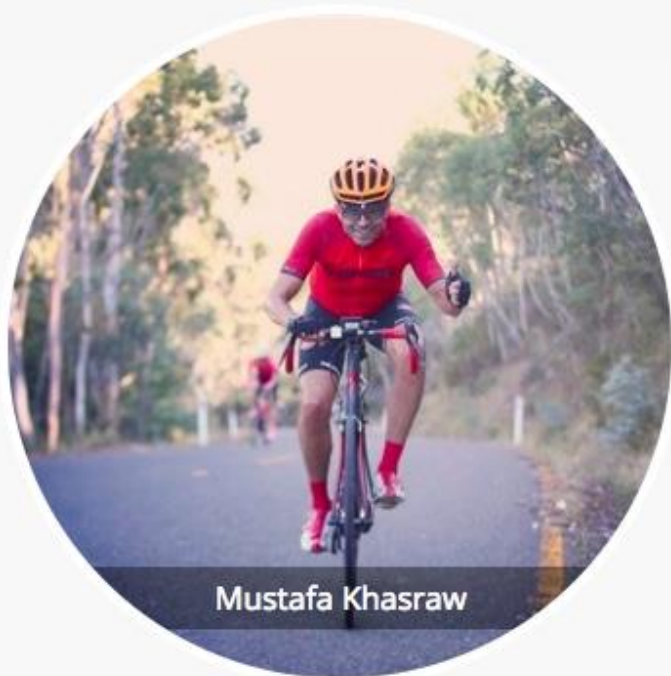

# Summary

- ACTA has been the catalyst to bring together a community seeking to solve complex problems
- Partnerships are key- there is no them and us
- We are at the vanguard of resetting research prioritisation and how we value research
  - Value is in the eye of the beholder
- We have cause for optimism
- There is work to be done.....
- Celebrate
